Upper-floor bedrooms overlooking garden
Rainwater pool (impluvium) cools atrium in hot weather
A well-appointed domus should include glass windows, but these are very expensive. Less well-off homes would use animal skins stretched across the openings.
Pantiled roof
Garden (peristyle)
Study with glass window
Bakery
Soldiers arresting a thief
High outer walls with no windows
Atrium
Dining room (triclinium)
Kitchen
Shops renting ground floor rooms on main street
